

The italian faggot

We all clalme that at the shop. We have great fun with that. Now that we're rid of tat please ask me about Fashioning History!

Shou be refashionaing history as I understand it.

Woodrow Wilson. Those celluloid collars. A tie would dare appear behind them. Knot unseen. J Press button down etc Nail shead pattern. Well, more like tack head. Café au lait tie , woven, with a large Windson knot.

How did hey wlak in those trousers? Urine catcher about as comfortables as stovepipes. Someone said well he's from Princeton. They have orange in the athletic uniforms, do they not. So we designed a burnt orange cashmere blazer with antique silver buttons. Rich as Scarsdale! Joe Stalin golf etc -mousstache a dirty blond, hair a wig fashioned by Oliver of Paris. We worked from that. Dirty blond and just stringy enough young revolutionary.

We have a darling Chinese man who puts it all in mathematics. Don t as me how. But you can take anything w/ in them and run the formulas and voila they are fashionable!

Yalta a h ulking thing. With Roosevelt dying in a cape. And Churchill? I'd give up on him before I started. Looks like an engorged toad!
